Chua, Amy. "Tribal World." *Foreign Affairs*, vol. 97, no. 4, July 2018, pp. 25–33.

EBSCOhost,

ezproxy.lib.uconn.edu/login?url=https://search.ebscohost.com/login.aspx?direct=true&db=poh&AN=131477893&site=ehost-live.

Description: This source describes how Npolitical tribalism affects issues relating to foreign policy. Topics include psychological research on the significance of group identity in comparison to ideology, U.S. foreign policy ignorance regarding ethnic conflict during the U.S. invasion of Vietnam.

Haggas, Carol. "The Red and the Blue: The 1990s and the Birth of Political Tribalism."

Booklist, vol. 115, no. 1, Sept. 2018, p. 12. EBSCOhost,

ezproxy.lib.uconn.edu/login?url=https://search.ebscohost.com/login.aspx?direct=true&db=f5h&AN=131628882&site=ehost-live.

Description: This source talks about the birth of political tribalism and how it came to be what it is today. It starts with the former bush administration and goes all the way to Donald Trump.

<https://www.nytimes.com/2018/02/20/opinion/destructive-political-tribalism.html>

Description: This op-ed by the same person who wrote "Tribal World" describes how American has become affected by political tribalism, especially after the 2016 election.

Aarts, Paul. "Post-War Kuwait and the Process of Democratization: The Persistence of Political Tribalism." *Change and Development in the Gulf*, edited by Abbas Abdelkarim, New York:, 1999, pp. 213–237. EBSCOhost,

ezproxy.lib.uconn.edu/login?url=https://search.ebscohost.com/login.aspx?direct=true&db=ecn&AN=0567040&site=ehost-live.

Description: This sources describes how Kuwait democratized and how political tribalism still persisted in their society. It can give a good parallel to events that happen in the United States.

Plater, Zygmunt J. B. EBSCOhost,

ezproxy.lib.uconn.edu/login?url=https://search.ebscohost.com/login.aspx?direct=true&db=lgs&AN=502230232&site=ehost-live. Accessed 23 Oct. 2018.

Description: Another good source for on political tribalism. The title refers to resources, but the word resources here means political resources, not natural resources as one might expect.
